

aycan will be part of the official ECR Workstation Face-off Session 2011. We will present OsiriX PRO at the 4th Workstation Face-Off in Austria Center Vienna and demonstrate the abilities in advanced postprocessing. Several vendors will present their latest and greatest postprocessing equipment.

During ECR 2011 you can meet us at 4 days of OsiriX PRO Hands-on Workshops and at our booth.

4th Workstation Face-Off Session
Friday, March 4, 12:15-13:30

Coordinators:

H.-C. Becker; Munich/DE

A. Graser; Munich/DE
